IN MEMORIAM

HERBERT E. FOSTER

For when the One Great Scorer comes
To write against your name
He writes, not that you won or lost
But how you played the game.

DEDICATION

To Doctor Mack, our next door neighbor, we dedicate this book . . . You have suffered us as a neighbor when at times we were even too much for ourselves; but more than this: You have been an inspiration to the scholarly . . . You have brought great prestige upon our school through your own scholarship . . . Through your teaching you have passed on more of your wisdom than you yourself can realize . . . You have served nobly in guiding those of us with ambitions toward higher learning . . . We shall long remember your many services at graduation time, your special way of relating bits of Nevada history in your classes, your presence at athletic contests, your stress of scholastic achievement, and your genuine interest in our future.

SCHOOL BOARD

SUPERINTENDENT EARL WOOSTER

The School Board for the Reno City Schools consists of: Superintendent Earl Wooster; Lloyd N. Bowen, President; Glen E. Myers, Clerk; Raymond E. Marks, William C. Sanford and Gordon R. Thompson, Trustees . . . We feel that this board has added much to the betterment and advancement of education in Reno. We are deeply grateful to you who have given so unselfishly of your time and wisdom.

E. WOOSTER, G. THOMPSON, R. MARKS, L. BOWEN, W. SANFORD, G. MYERS.

P. T. A.

Since 1924 the Reno High School Parent Teachers Association has been promoting the educational, civic and social welfare of the students of Reno High School. During the 1948-49 school year all meetings have been held at night, which has made possible greater attendance at meetings and has allowed fathers as well as mothers and teachers to contribute to the promotion of co-operation between parents, teachers and students . . . This year the organization has contributed to the interest of Reno High School by:

Purchased and awarded Bronze, Silver and Gold Honor Pins.

Department Achievement Pins.

Sponsored the Honor Society Dinner.

Chaperoned all Huskies Haven dances.

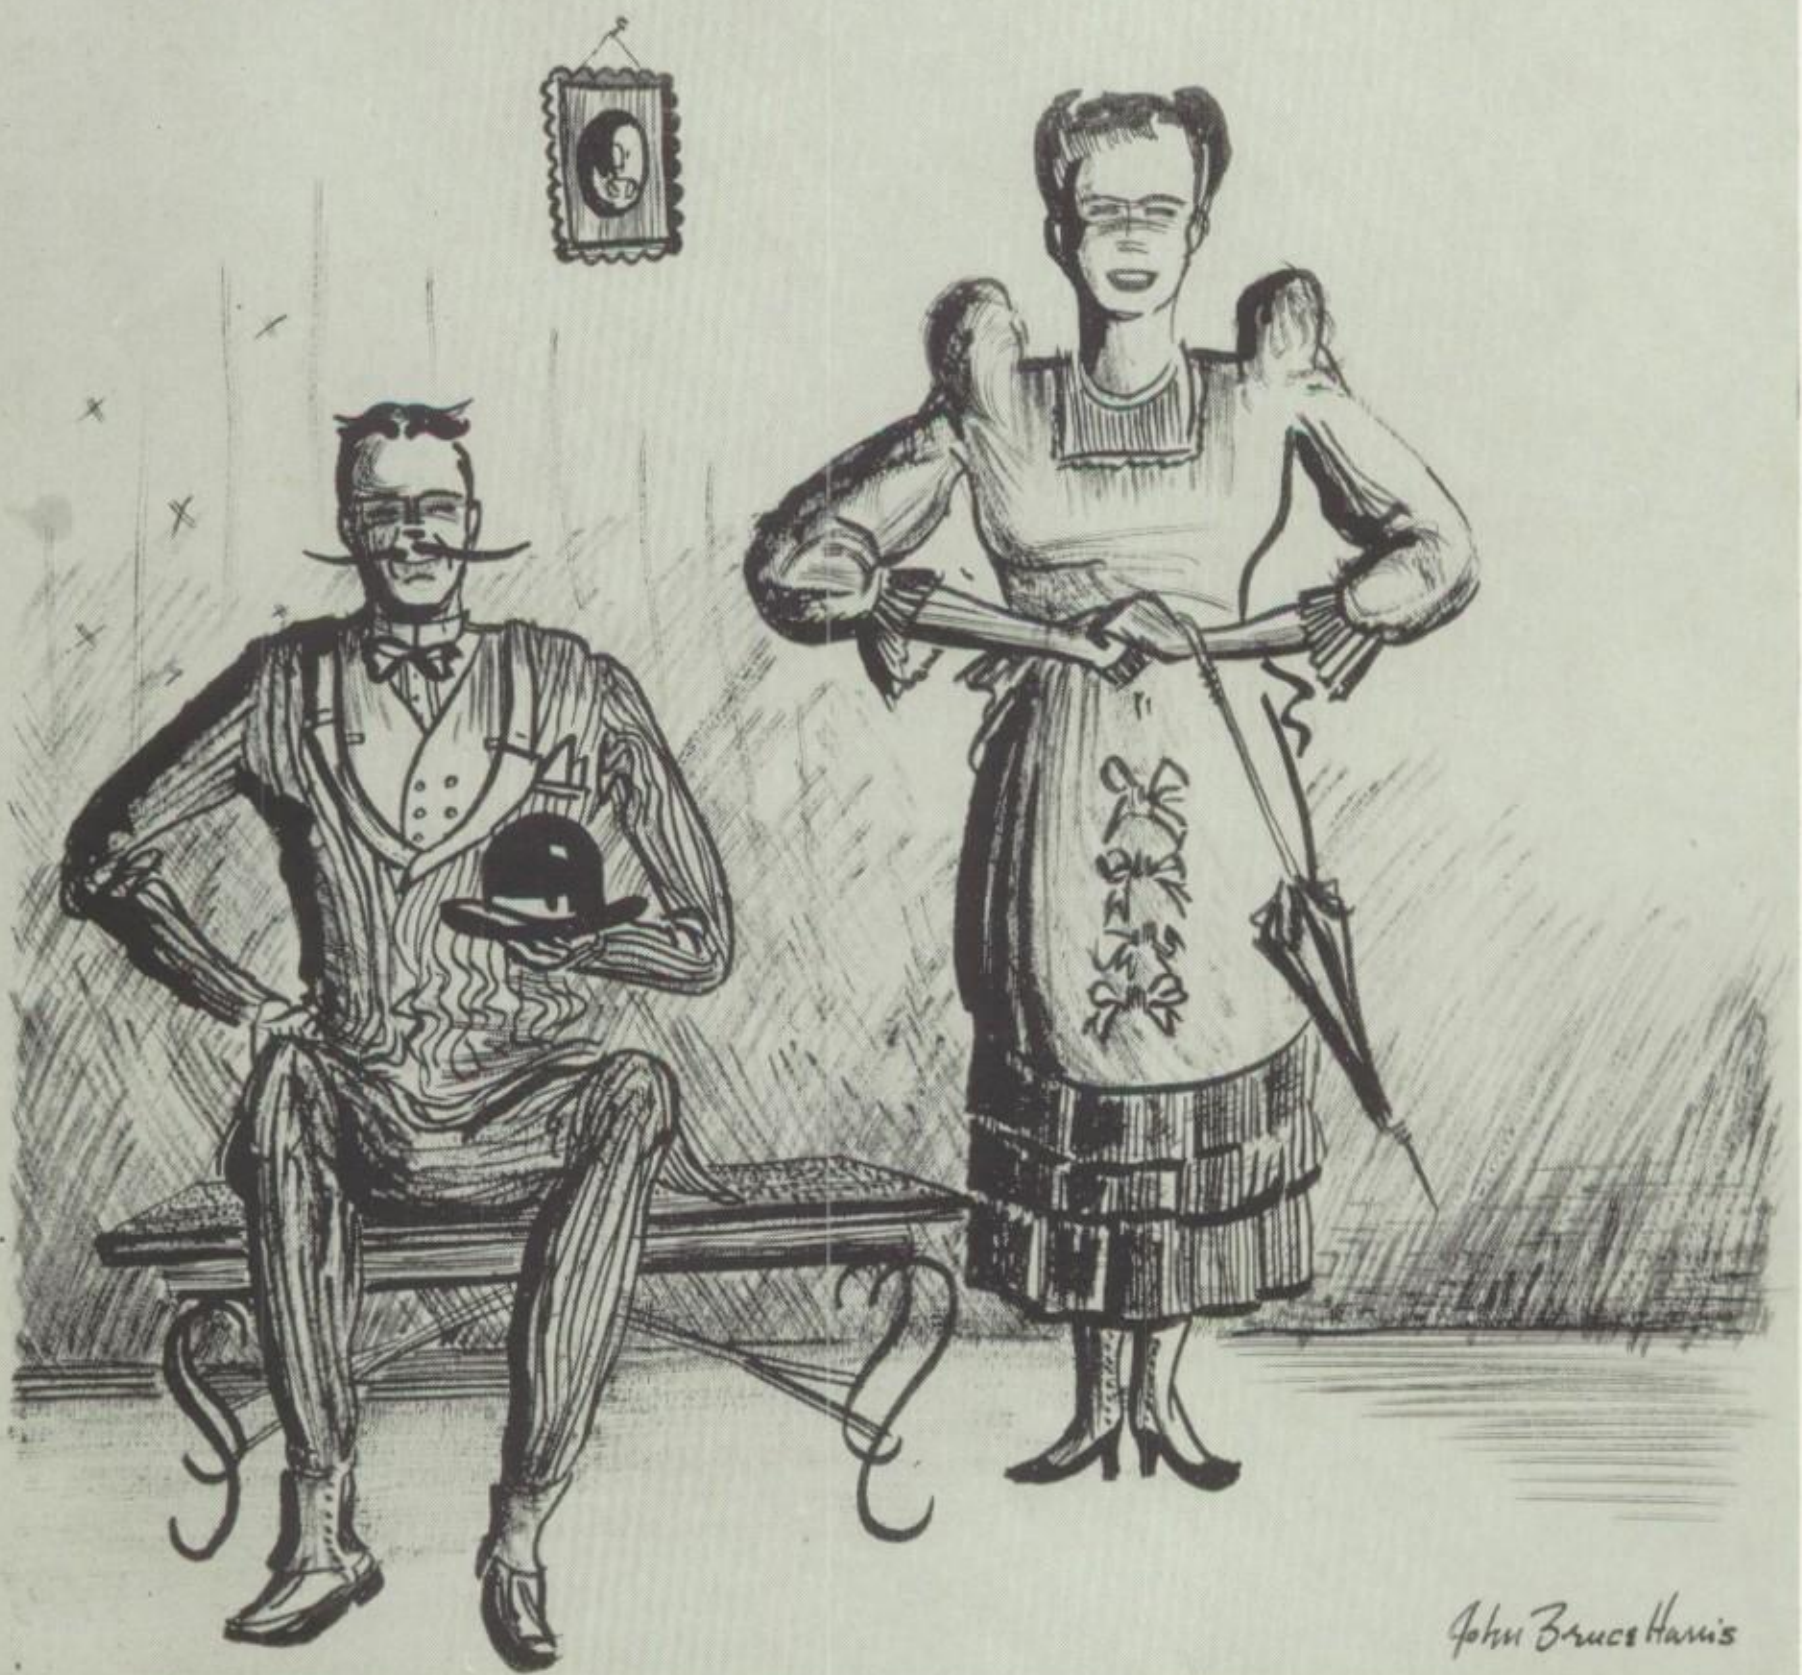

Contributed to the understanding of school programs by sponsoring educational programs at meetings.

Supported legislation for the betterment of education.

Contributed financially to the Senior Picnic and furnished chaperones.

ADMINISTRATION

GUILD GRAY, Principal

As an alumnus of Reno High School, and as one of its former teachers, I accepted the position of principal with pride and with the deep sense of responsibility to the students and their parents, and to the faculty. At the end of my first year as principal I find that my pride is greater and that my sense of responsibility to those interested in the school is deeper. Despite inadequate facilities we have progressed, and I sincerely believe that all who have shared in the fun and work of the past year have a right to look backward with a feeling of great satisfaction. The spirit of the students and the co-operation of parents and faculty have demonstrated once again that high morale is the first requirement for institutional progress.

JIM DIEBOLD
Secretary-Treasurer

When, in 1946, the Sophomore Class entered Reno High School, a group of bewildered students stepped onto the first step of the ladder of success. Three years later, after participating in many school activities from the Sophomore Hop to the Graduation Exercises, they have succeeded in reaching the top level, the Senior.

SENIORS SPRING

EARL OLIVER, President

JIM DIEBOLD, Vice-President

GARY MORRISON, Secretary

SAM GIBSON, Treasurer

The officers on these two pages have in the past year worked hand in hand with the faculty and administration of Reno High School for the Senior activities. They have organized the Senior Ball, the Senior Cut Day and Picnic, and have done much for the betterment of the graduation exercises. These officers were chosen by class elections at the beginning of each semester and therefore represent the most popular and active members of the Senior Class.

SOPHOMORES

VIRGIN ARAMINI, Fall President; GEORGE GADDA, Vice-President; LEE REBIDEAUX, Secretary-Treasurer.

When the Sophomores first entered High School last semester they were not too sure of themselves or their responsibilities. After a few weeks in school they began to take hold and get into the swing of things. At the end of the semester we can now see that they have not only adjusted themselves to the ways of the school but have become good members of the student body and will undoubtedly be an outstanding Junior and Senior Class.

Honors

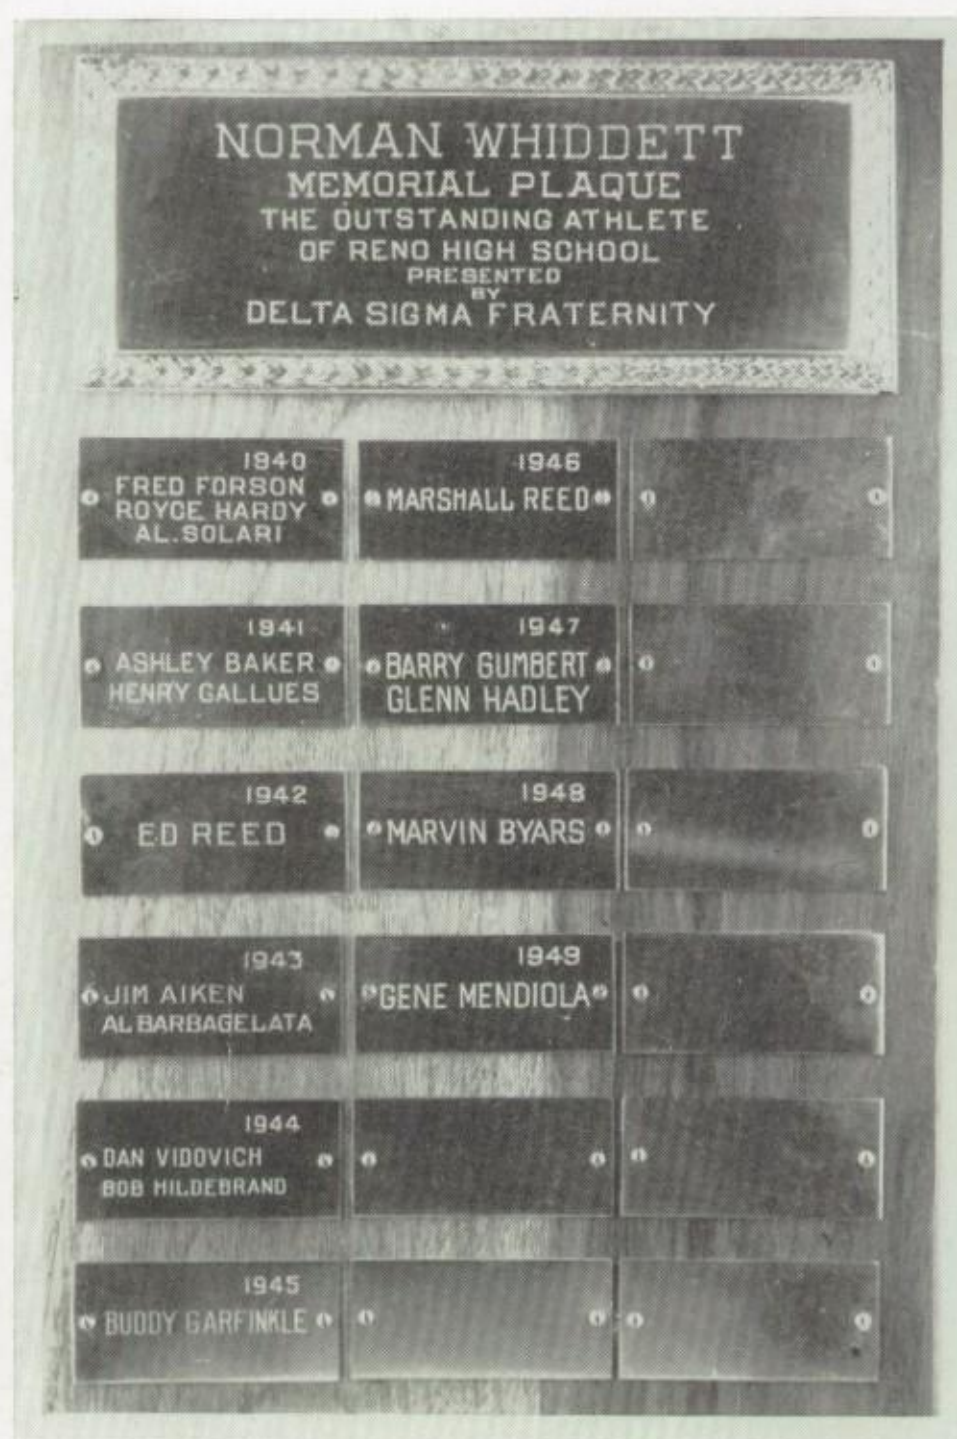

NORMAN WHIDDETT PLAQUE

EUGENE MENDIOLA

The Norman Widdett Memorial Plaque for the outstanding athlete of the year was donated by the Delta Sigma fraternity in honor of Norman Widdett, an athletic manager, who died in 1940 while still in school. Since 1940 the names of many outstanding athletes have appeared on this plaque. This year the honor was presented to Eugene Mendiola, who in the last three years has achieved a fine athletic record in the three major sports—football, basketball and track. Gene was second-string all-state end in football in the 1948 season, all-conference guard in basketball in 1949, and an outstanding track star for 1948 and 1949. Besides this athletic record, Gene has been president of Block "R" Society, and in his last semester of school was president of the student body of Reno High School. Gene, as the past recipients, is truly deserving of the honor bestowed upon him.

20-30 PLAQUE 1949

Every year the graduating class of Reno High School votes for the all-around girl and boy of their Senior Class. The requirements for this honor are: A high scholastic record, a good merit record, and must be active in school activities and organizations.

The girl chosen for this year's award, Edith Franchi, started her high school career by becoming President of the Sophomore Class, and since then has become active in such organizations as F. H. A., G. A. A., Filibusters, Huskies Haven Council, and has held many home room offices.

The boy chosen for the 1949 award was Lawrence Belli, who has taken part in many activities such as Track, Football, Hi-Y, T. N. T., has held home room offices, and the office of Vice-President of the Senior Class. We believe Lawrence is very deserving of this honor.

DEBATES

LOUIS CANNON
State Champion

CLINTON WOOSTER

BUD WEISER

Filibusters this year participated in numerous speech contests and produced at least one State champion. The State champ was Louis Cannon, who won the American Legion Oratorical Contest against delegates from two other Nevada districts. Gaining the State finals, Cannon whipped Bob Ballard of Sparks in the zone competition. Another zone winner was produced in Bud Weiser, who participated in the State finals in the Lions Club contest after the press deadline. Clinton Wooster, rapidly improving his speaking, won the local Knights of Pythias Speech Contest from a strong field. Filibusters also included the winner of the School Debate Contest, Louis Cannon, and the runner-up, Bud Weiser. Charles Sullivan and Israel Rogers represented Reno in speaking at the State Forensic Meet.

The Executive Board for the Spring term of 1949 originated many new ideas for the school. Six amendments were added to the school constitution and provisions were made for the adoption of a Student Court. The Executive Board conducted an interesting student assembly on the subject of the court to acquaint all students of its importance. The vote showed that the students whole-heartedly agreed on this idea.

The 1949 Re-Wa-Ne Staff, advised by Bud L. Beasley and headed by Editor Phil Dietz, have spent many uncounted hours in the publication of this year's book, for the enjoyment of the students for future years. The job could not have been correctly done without the able assistance of Bennet Akert, Business Manager; Earl Oliver, Circulation Manager; Merrilyn Byrd, Secretary, and Andree Anchart, Assistant Editor.

From the first days of the Fall semester until our deadline was reached the entire staff worked untiringly to fulfill their many duties, from selling subscriptions and ads to reading copy. The success of the book depended upon the leadership of their editor and adviser, and upon the ability of the staff to work as a team to meet their requirements. The staff as a whole would like to express their thanks to the Art Department and to the Faculty for their unselfish co-operation.

BLOCK "R"

EUGENE MENDIOLA
Fall President

EARL OLIVER
Spring President

BUD L. BEASLEY
Adviser

Block "R" is an athletic society consisting of all boys who have lettered in major sports. At the present the three major sports are football, basketball and track. Thus, muscle, cunning and speed are incorporated in Block "R." It is one of the most exclusive organizations in Reno High School. Membership in it represents hours and hours of practice and competition on the athletic field. One may go through all this give and take and still not make Block "R" because a required amount of actual playing time in conference contest must be met before the right to wear a Block "R" is earned.

Ed Spoon became the Spring president of the Filibusters, following Speaker Bob Marker, January graduate. Other officers for the Filibusters in 1949 were Harriet Parke as vice-president in place of Homer Kunder and Sharon McPartland, who assumed the secretarial chores of Louis Cannon. Speakers from Filibusters distinguished themselves this year. Louis Cannon captured the school debate crown and American Legion speaking contest, while Bud Weiser was victorious in the Lions Club contest. Junior Clinton Wooster, also a member of the honorary speech society, won the Knights of Pythias contest. All contestants competed in the zone tourneys. Numerous public service programs, radio broadcasts and assembly speeches were presented by the Filibusters during the year.

Two years ago the Future Homemakers of America was organized in Reno High School under the direction of Miss Pohlman. The symbol of F. H. A. is that of a red rose representing courage and service to their organization in order to bring families closer together. The goals for which the girls work are of three degrees, Juniors, Chapter and State. Each year one girl is sent to the national convention. This year Berry Ferrari was chosen to represent her school and became the State President. One of the projects for the F. H. A. this year was the sponsoring of a dance and the presentation of an assembly. Just this year this club has adopted a school in Germany, who they feel can be helped by sending food, clothing and books to them.

The Girls' Athletic Association was organized at the termination of interschool basketball competition for girls for the purpose of promoting intra-mural sports and to provide a more varied sports program. Membership in the organization is open to all girls of Reno High School interested in athletics. The girls are required to earn at least twenty-five points by participating in several sports—basketball, volleyball, tennis, golf, bowling and softball. The girls turned over their coke bar to make a sick bay. The initiation party brought approximately thirty new officers into the organization. The officers for the year were as follows: Mary Street, president; Arlene Freedman, vice-president; Barbara Brownell, secretary; Maureen Fox, treasurer, and Barbara Smith, point recorder.

HONOR SOCIETY

DORIS MACK, President

MISS SINGLETON, Adviser

The Honor Society is one of the regularly established clubs of Reno High School. At the beginning of the Fall semester the members of the club elect their officers for the following year. Those chosen for this year are Doris Mack, president; Earl Halstead, secretary, and Joanne Garwood, treasurer. The adviser is Miss Beulah Singleton. The events of the year were an initiation party for new members, an award assembly, and an honor banquet. To be eligible for membership, one must have a 1.7 average for at least two semesters.

SCIENCE CLUB

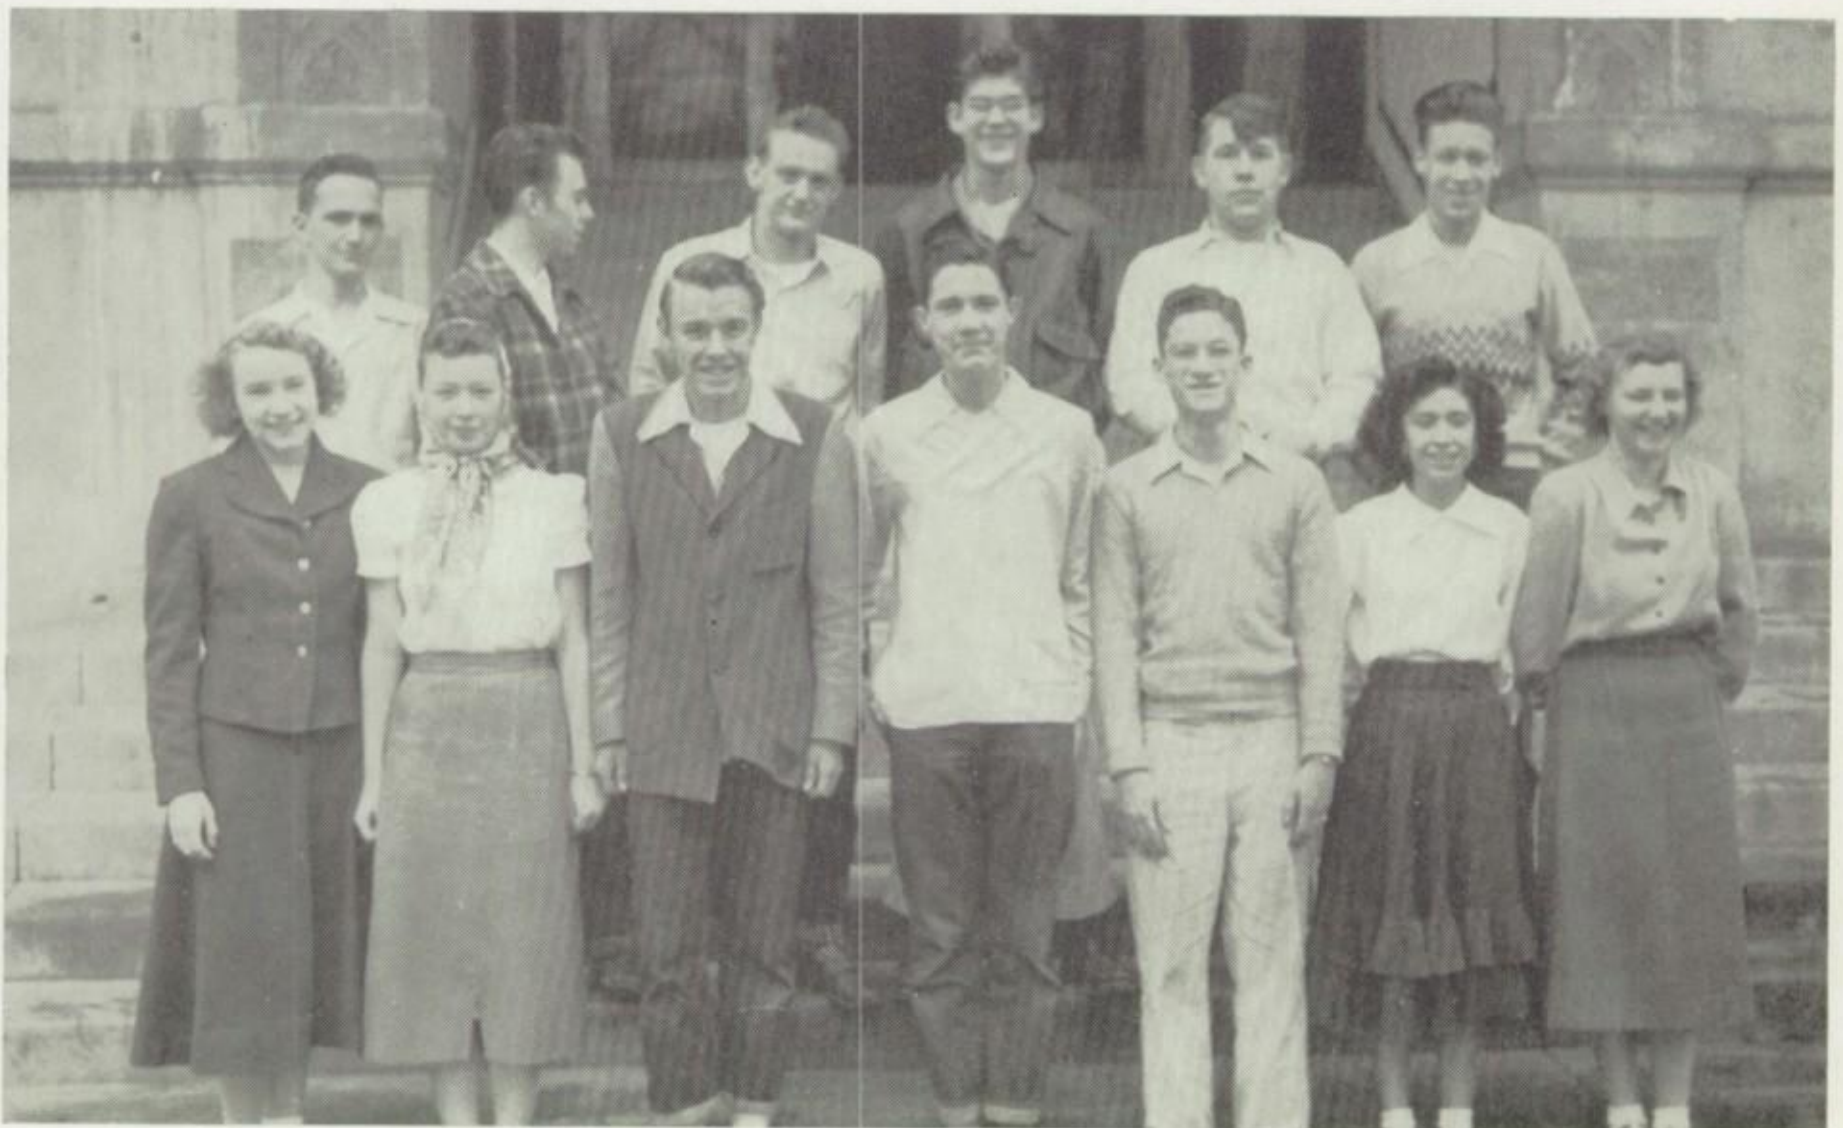

RAY ARNOLD
Fall President

MR. MAREAN
Adviser

GEORGE MACLEAN
Spring President

The purpose of the newly organized Physical Science Club is to promote the study of Physical Science through chemistry and electronics. The club's various activities included a talk by Dr. Neilson, a University of Nevada professor, on earthquakes, which proved especially interesting for the students because of Reno's recent quakes. Professor Blair presented another interesting talk on the Palomar telescope in California. Other activities included films, discussions and demonstrations throughout the year.

SCALPEL AND FORCEPS

ARDITH DICKINSON
Fall President

MISS MARGARET WATT
Adviser

RAY ARNOLD
Spring President

Scalpel and Forceps is the biology club of Reno High School. It has for its objective the development of interest in life science and the allied fields. Meetings are held monthly where some planned project spurs the interest in the work of life science. The club took a field trip to the Nevada Hygienic Laboratory, presented a film on nursing to the girls, gave a Christmas party, gave an exhibit of Nevada flowers and insects, and showed other films on nature. Student projects this year developed some outstanding bits of taxidermy, drawing, mounted specimens, anatomy, nature photography, prehistoric animals, and models of the eye and ear.

The International Honorary Society of Reno High School is represented at Reno High School in the Mark Twain Chapter of Quill and Scroll. The club this year is under the direction of Bud Beasley, Re-Wa-Ne Adviser. Members are chosen on the basis of scholarship rating, quality of work in journalistic or creative effort, and recommendation of the adviser. At Reno High School staff officers of either the Red and Blue or the Re-Wa-Ne are eligible for membership. Advantages of joining the Quill and Scroll organization include the sponsoring of numerous contests, open to all I. H. S. H. S. J. members. These competitive fields often offer scholarship awards designed to provide talented journalism students with an opportunity to secure financial aid for college. Officers of the club were: Fall President Phil Dietz and Spring President Earl Oliver.

Under the capable direction of Major William B. Sullivan the Huskiettes added much color and pep to the various athletic activities of Reno High School. In addition to supporting the football and basketball games, the Reno High Drill Team marched in a number of local parades, including the Armistice Day parade. The biggest parade of the year in which they marched was the Admission Day parade in Carson City. The drills used for the various activities were quite original and required a great deal of concentration and much more practice.

In addition to their marching activities, Huskiettes staged a very successful assembly and dance. The theme of this dance and assembly was based on "The Hades Hop." The plot for the assembly and the decorations for the dance required a lot of thought and work. The dance was a huge success and a good time was enjoyed by all who attended. The last of the Huskiette activities for the year is when they marched for the annual R. O. T. C. review. The Huskiettes owe a great deal of thanks to the major for giving up so much of his time. Without his help they would have been unable to do such an outstanding job.

Hi-Y began the Fall semester with an outstanding assembly and dance, the theme being that of a Bowery scene. The decorations portrayed a gay nineties restaurant complete with a bar and costumed waiters. With Mr. Curtis as adviser, the club has become nationally chartered and has taken part in many community and school activities, one of which consisted of watching the Junior Y. M. C. A. boys group at the University football games.

This year their assembly with a Broadway theme was one of the biggest and best yet. The Fall and Spring officers who did a very fine job were Elizabeth Francis, Diane Lewers, Vanna Grant, Bobby Lee Conant, Joanne Menu, Henry Clark and Jane Kernan. All talented students of Reno High School are invited to try out for membership in Three Arts at the semi-annual tryouts.

The Huskies Haven Council for the Fall semester of 1948 was composed of Andree Anchart, president; Rusty Crook, vice-president; Eddie Blanchard, secretary; Vickey Vickery, treasurer; Buzzy Marks, Charles Spina, Joe Benetti and Edith Franchi, members . . . The Spring semester of 1949 elected Pat Warburton, president; Eddie Blanchard, vice-president; Billy Gadda, secretary; Leona Hickey, treasurer, and Mimi Howell, Vickey Vickery, Gene Mendiola and Ed Spoon as members. The main events of the semester were the greatly anticipated tournament dances during the basketball season. This year the dances were held at the State Building in order to handle the enormous crowds. Another important event was the State Table Tennis Tournament, held in Las Vegas this year, in which three Reno High students proved themselves to be state champions . . . The main event of the semester was the opening of the new game room downstairs, on the main floor, leaving the upstairs reserved only for dances and programs. It was also decided that Manogue Catholic High School be admitted to membership and a place on the council. A fashion show featuring models from Reno High School and skating parties at Idlewild Park were some of the outside activities. At the annual birthday dance the Haven celebrated its fourth birthday.

During basketball season members sold tickets at home games and banners were made to represent the different schools for the Western Zone and State Tournaments. Members diligently changed the banners according to winners after each game. The last T. N. T. activity was the annual banquet with the faculty as its honored guests. T. N. BAND

MR. FELTON HICKMAN
Director

This year, as in previous years, the Reno High Band has made a good record for themselves. After only ten days of rehearsals they turned out a splendid performance in the annual pet parade, followed by their Navy Day exhibition, University Homecoming parade, football games, and several P. T. A. meetings. For the first time they played for the Orphans Home and Veterans Hospital. In the late Spring they will attend the Western Zone Festival, to be held in Fallon, Nevada. Their shiny trophy, which represents first place among bands in the Admission Day parade, symbolizes their achievements this year.

FOOTBALL

RENO 6, SPARKS 0

The Huskies started their 1948 season with a hard fought game with Sparks. The Reno team, playing with many unexperienced players, came through in the last quarter for the only score.

RENO 19, SUSANVILLE 12

Trailing 12 to 0 at the end of the first half, the Huskies took advantage of a few breaks to score three times and converting once, making the final score 19 to 12 in favor of Reno.

RENO 58, YERINGTON 0

Reno played its first conference game in Yerington this year and developed an overwhelming score. After the first quarter, in which they scored three touchdowns, the second and third strings played most of the game.

BOB LAZOVICH, All-State Guard

DON FIFE, All-State Center

Two Reno High football players were this year chosen on the first string all-state squad. Bob Lazovich, left guard, and Don Fife, center, were standouts on the Reno line throughout the season's play. Both these boys were Juniors and will be back for the 1949 season.

FOOTBALL

HERB FOSTER

The Reno Huskies lost two games during the 1948 football season. The Huskies suffered a greater loss, however, with the passing of their great coach, Herb Foster. Herb lived and loved the game, cherished the close contact he enjoyed with the players, and commanded the respect of his team, a respect born of hard work, sincerity and knowledge of athletics. We of Reno High School shall always remember our associations with him and shall forever be indebted to the many happy hours we spent under his capable guidance, happy hours his efforts made possible.

RENO 40, LOVELOCK 13

The Huskies went into their second conference game on their own field against the Lovelock Mustangs. The Reno regulars ran up a good score in the first half of the game, allowing the substitutes to play most of the second half. The Lovelock men scored twice in the second half, making the final score 40 to 13.

FOOTBALL

RENO 33, STEWART 0

As Reno went into one of its traditionally hardest conference games at Stewart this year, they showed to the spectators that they had a good strong team. With a running duel between Stewart's Dondero and Reno's Carano and Fox, the game proved to be a fast and hard fought contest.

RENO 7, LAS VEGAS 12

The final game of the season was played on Thanksgiving Day against Las Vegas High in the university stadium. Although the game had no incentive for the Reno team, it was a good even fought game. Howard Barber, speedy Las Vegas half back pulled the game out of the fire in the fourth quarter with a tricky run to score. Vegas, scoring in the first quarter, failed to convert. With a strong drive, just before half time, Reno went ahead 7 to 6, but Barber's run won the game for the Wildcats.

RENO 21, CARSON 18

With Ed Spoon playing his first varsity game and dropping in 13 points, the Huskies edged the Carson Senators in an exceedingly rough game. Most of the fourth quarter was played on the floor as the Senators desperately tried to overtake the Renoites, who won their first game under their new coach, Bud Beasley.

When the tragic death of the great Reno coach, Herb Foster, hit Reno High School, the Huskie basketball team was in the midst of pre-season practice. Leaderless and stricken by Herb's death, there was little hope for Reno's promising team. It was then that Bud Beasley, physical education instructor and B Squad coach for many years, took over the Huskies. Under his able supervision the team won eleven of twelve conference games and were runners-up in the Western Conference tournament.

RENO 58, LOVELOCK 25

Charlie Spina and Ed Spoon dumped in eight points each to lead Reno to their second victory as the Huskies tripped an ineffective Lovelock Mustang. Good team work featured the win, Reno rolling up an impressive 23 to 24 half time lead.

RENO 45, SPARKS 41

Continuing to march through opposition, Reno staged an impressive display to nudge Sparks 45 to 41. Ed Spoon, Huskies center, was high point man for Reno, while Ray Gianotti, Railroaders ace, kept Sparks in the game with 13 points.

RENO 34, HAWTHORNE 32

Playing one of their poorest floor games of the season the Renoites topped a battling Hawthorne five. Carano was high point man with 11.

RENO 50, STEWART 32

The fifth straight win of the year for the Huskies came with apparent ease as they racked up a 38 to 13 half time lead and held it with reserves in the second half. Charles Spina turned in a brave floor game with 15 points.

RENO 39, FALLON 20

RENO 32, DOUGLAS 21

An inspired Douglas team ended the Huskies' lengthy win streak as the Tiger defense bottled up former Reno point makers. Jim Summers hit 13 points for Douglas while Spina led the Renoites with 7.

RENO 45, YERINGTON 24

Presenting a fast break in the first quarter which left the Lions far behind, the Huskies swiftly got back on the winning trail. Reno cleared the bench and would have routed the Lyon County five except for their amazing free through accuracy by Yerington.

RENO 38, SPARKS 24

Reno pulled the most spectacular rally of the season as they came from behind in the second half to stop Sparks in a brilliant display of floor work and shooting. At half time, however, with substitute Wayne Daniels playing a steady game and with Ed Spoon hitting from all angles, Reno tied the Railroaders 25 to 25 at the end of the third period and went on to win in the fourth.

RENO 55, STEWART 23

The Reno basketballers had a little difficulty in defeating a smaller Stewart squad. Charlie Spina was high point man with 12.

RENO 40, MANOGUE 25

Stepping out of conference play the Huskies easily defeated a scrappy but inexperienced Manogue team. Ed Spoon, playing his best scoring game of the season, hit 20 points.

Whirlwind passing and accurate shooting gave the Huskies surety of at least a tie for first place for seasonal honors. Sure fire passing by Gary Morrison and Gene Mendiola disrupted Carson's dangerous zone defense, while tight guarding bottled up a potent Senator threat early in the third period.

RENO 39, FALLON 38

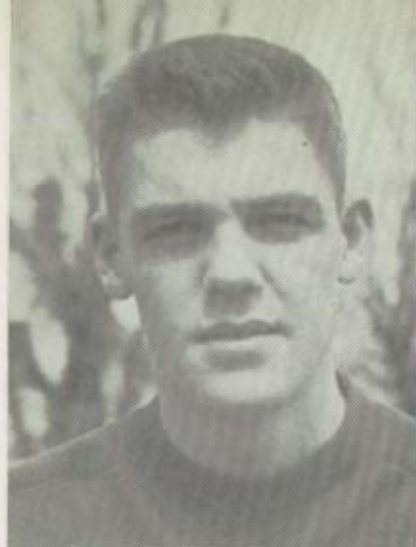

By hitting a free through after the final buzzer had sounded, Charlie Spina gave Reno the seasonal title with a win over the surprisingly strong Fallon Green Wave. The half time score was tied at 18 to 18 and was never more than two points out after that. Don Carano tanked 4 for Reno, while Del Steve scored 13 for the opponents.

RENO 52, SUSANVILLE 37

Playing their last seasonal titlt of the year the Reno Huskies had little difficulty with the non-conference foe, the Lassen Grizzlies. Gene Mendiola and Don Carano topped the Renoites with 12 points apiece.

ED REED, Coach

Coach Ed Reed, beginning his first season as a basketball coach, led the Reno JV's to a very successful season. Ed is a former student of Reno High School and was one of this school's outstanding basketball players. He attended the University of Nevada, where he topped the honor roll and was a member of the varsity basketball and tennis teams.

The B Squad had a very successful 1949 season. They lost only two games in 22 played. Both of these encounters were lost to a faster and more experienced Carson B Squad. In the opening game of the season the Bees were put down by Carson 23 to 21. The second game, however, saw the Reno team come back strong to overwhelm the Lovelock JV's 55 to 17. Then another victory was added to their list by defeating Virginia City 25 to 17. Some of the other teams falling before the Reno JV's were: Truckee, Stewart, Douglas, Loyalton, Yerington, Sparks, and the Reno High School C Squad.

Under the capable coaching of Mr. Ray Cable, the Reno High "C" Squad completed a very successful season of play. Mr. Cable, who has been coaching the "C" Squad for two years, presented an active program to boys who were not able to make "A" or "B" Squads.

The program opened with an invitation to all boys interested in playing basketball. They participated in an intra-mural program which started in December and ended in February. It was composed of six teams who chose their own captains and team names. Then, at the end of the month of February, fifteen of the best players were chosen to be on the "C" Squad. They won seven games and lost only two. They lost their first and last games, which were against Northside and the Reno "B" Squad. They won their other games, from Sparks, Truckee, Loyalton, Manogue and Northside.

For the first time a girls tumbling team has been organized. It was composed of six girls who participated in an exhibition. Some of the tricks presented by the team were front and back somersaults, partner acts and spring-board tricks.

Coaching the Reno Baseball Team is Bud L. Beasley, who has received his excellent knowledge in the sport through his participation in professional baseball. Having led the Reno baseball squads for the past three years, his genuine interest in the players and the game accounts for the fine records of his past teams.

In the Spring the young men's fancy lightly turns to thoughts of baseball. For many years the boys of Reno High have been ardent followers and active participants in the sport. This enthusiasm resulted in the Reno High School boys winning the American Legion Junior State Baseball Conference last year. As the book goes to press there is every reason to believe that this notable achievement will be duplicated this season. The present games are scheduled with Susanville, Hawthorne and the various University fraternities.

Mrs. Helene Aldaz, who recently returned to the teaching staff of Reno High School, has completed an active year of girls sports. In addition to her instruction in P. E., she is adviser for the G. A. A. Mrs. Aldaz is also the dean of girls and her genuine interest is exemplified by the time and attention she devotes to them.

GIRLS' SPORTS

Row 1: A. Freedman, F. Jacobs, R. Hayes; Row 2: E. Sanford, B. Brownell, D. Orth, J. Leriano, N. Midzar; Row 3: J. Forrester, P. Heim, G. Samuels, L. Galli, A. Baldwin; Row 4: D. Redellus, A. Phiel, G. Barnes, M. Black, C. Lane.

Bowling was one of this year's most successful sports. Over sixty girls participated. They joined the American Junior Bowling Congress and bowled in the league for the entire year. On March 25, they bowled in the National A. J. B. C. Tournament. The winning team was the Whight Rods, composed of Forrester, Hayes, Midzor, Orth and Vickery. The team with the highest standing for the season was the Pin Tumblers, composed of Brownell, Werner, Freedman and Sanford. The individual honors for the year went to Eula Sanford and Barbara Brownell.

Dances and Assemblies

VANNA
GRANT

HUSKIETTE

The Huskiette assembly with its Hades theme was one of the best assemblies this year. Some girls were drilled on the stage by Andre Anchart at the beginning of the skit. A group of six then did a devil dance. That same night, the Huskiettes sponsored a dance, carrying out the Hades theme. The dance drew a good crowd that evening, which made it a big success.

SOPHOMORE

The annual Sophomore Hop assembly carried out the Thanksgiving theme and proved to be a great success. The assembly included a series of acts with Gene Bass playing the part of master of ceremonies. The acts included Red Skelton and his mother, Vera Vague, and others. The dance, that same night, carried out a traditional Thanksgiving theme with orange and black decorations. In addition, a huge pumpkin was placed on the stage where the door prize drawings were held.

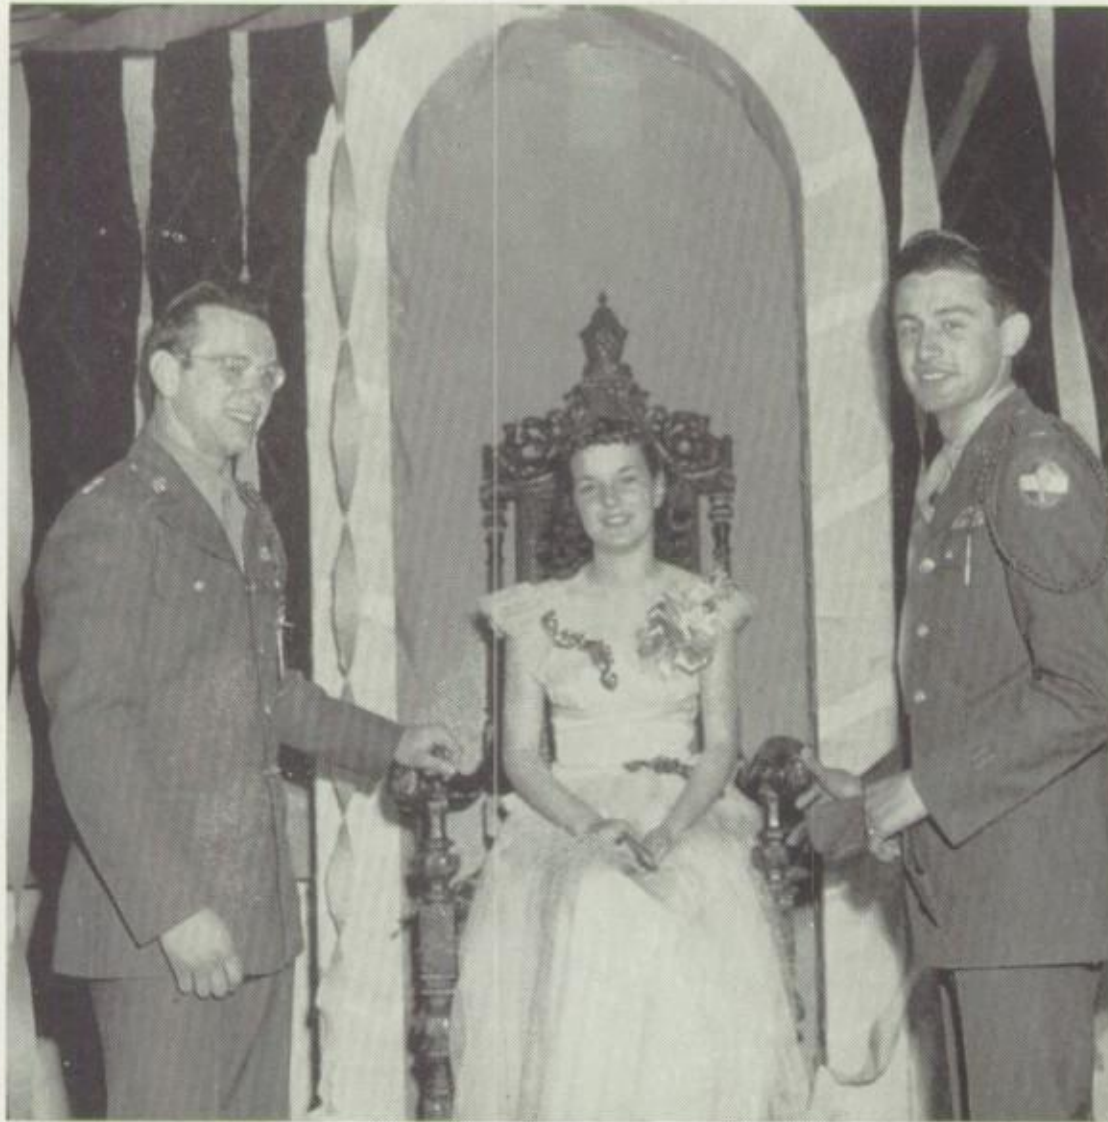

R. O. T. C.

With Forest Fox acting as master of ceremonies, the R. O. T. C. assembly displayed an entertaining half hour. Among the various comical scenes, John Harris presented his impersonation of the "Mad Russian." Another highlight of the assembly was when a real motor scooter pattered across the stage. The R. O. T. C. Ball presented the traditional militaristic decorations. The queen, elected by the cadets, was Sophomore Vickey Vickery. After Vickey was crowned she was presented with a gift. The event was a huge success, and will be remembered by all who attended.

R. O. T. C.

VICKEY VICKERY, Queen of R. O. T. C. Ball

SKI CLUB

In order to raise money for sending some of the Reno High skiers to the National and to support the functions of the organizations, the club sponsored an assembly and dance. Backed by a picturesque snow scene, the group presented songs and other humorous skits.

BLOCK "R"

To raise money for the annual Block "R" Banquet and to support the Athletic Fund, Block "R" presented an outstanding dance at the Civic Auditorium after the State Tournaments. Decorations were a combination of school colors throughout the State of Nevada.

One of the first programs in the Fall semester was the Hi-Y assembly. The assembly, given to advertise the dance, carried out the Gay Nineties theme, from handlebar mustaches to wharf rats. A well costumed cast of boys presented dancing girls and soloists. The evening's dance, with its gala decorations of yellow and red, plus costumed bartenders serving refreshments over a bar, made the whole affair a success.

THAT'S YOU ...
THE GRADUATE
OF '49

You can't know what
the future holds for
you—but you do know

the goals that you have set for yourself. They will guide you through
further formal education—or into the world of business.

For many years we have supplied stationer's items to successful
firms and institutions throughout the State—just as we have sup-
plied you with your school needs. Now it is our wish to serve you
just as faithfully in your new life. Congratulations, and the best of
luck!
